Prayer Guide

FEBRUARY 2026

“Above all, clothe yourselves with love, which binds us all together in perfect harmony.”
Colossians 3:14 (NLT)

1

February 1-7

“So now I am giving you a new commandment: Love each other. Just as I have loved you, you should love each other.”

JOHN 13:34, NLT

Jesus doesn’t say love when it’s easy or when people deserve it. He calls us to love the way he loved us first: sacrificially and unconditionally. His Way starts when we stop measuring worth and start loving like He did. What would it look like to show up for someone today without conditions?

Prayer Points

- Thanksgiving for the West District Family Camp. We had a great time at Hidden Acres Camp! Volunteers, staff, and families all had an amazing weekend and connected to the “Family Reunion” theme.
- Pray for local churches to find ways to support families to attend Family Camp, and to be able to come alongside and support those families to find belonging in their congregations.

February 8-14

“Love each other with genuine affection, and take delight in honouring each other.”

ROMANS 12:10, NLT

We all need each other, don’t we? Genuine affection grows when we stop pretending otherwise. Let’s honour each other by paying attention to limits and vulnerability and trusting that we are better together.

Prayer Points

- Pray that Karis is able to provide more ongoing opportunities to families to find support and respite, and help those families to find belonging in their church, and broader community.
- We give thanks for the strong partnerships with camps and churches that make these camps possible, particularly for the opportunities to build new relationships.

FEBRUARY 2026 PRAYER GUIDE

3

February 15-21

“For you have been called to live in freedom, my brothers and sisters. But don’t use your freedom to satisfy your sinful nature. Instead, use your freedom to serve one another in love.”

GALATIANS 5:13 NLT

Freedom isn’t meant to be self-serving. We’re called to use our freedom to serve, to receive help, and to belong without proving our worth. Love grows when we serve one another.

Prayer Points

- Thansgiving for the many people who volunteer at Family Camps, especially long-serving volunteers who have shared God’s love with so many families over the years.
- We pray for wisdom for the pastors who speak at family camps and for discernment as they look to encourage families and volunteers.

4

February 22-28

“We love each other because he loved us first.”

1 JOHN 4:19, NLT

To love well, we have to remember that God loved us first. Love doesn’t start with us. It starts with what we’ve already received. When we know we’re already loved unconditionally by God, we can stop protecting ourselves and start giving that love away to others.

Prayer Points

- Pray for safety and health for those attending camps.
- Pray that the impact of family camp goes far beyond the weekend or week, and that churches would embrace the kind of hospitality and accessibility that we see lived out in these spaces.
